ITEM 1.01 Entry Into A Material Definitive Agreement

On March 11, 2015 Powerdyne International, Inc. (the “Company”) finalized its negotiations with Farmacia Brisas del Mar, a corporation organized under the laws of Puerto Rico (the “Lessee”), and the Company and the Lessee have entered into a five-year contract to lease power generating equipment to Lessee based upon power consumption. In addition, the custom designed system will also provide cogeneration capabilities with the addition of chillers to support the air conditioning demands. The agreement provides for a payment to the Company of a monthly fee equal to the greater of a set monthly base rate or a monthly base rate plus an additional amount based on kilowatt wattage. The agreement provides for termination only in the event of nonperformance by the Company unless Lessee pays all payments due for the remainder of the term. The agreement contains representation and warranties, default provisions and indemnification provisions typical for agreements of this type.
